

Fear and panic, social anxiety
 Fear and panic in all its variety
 Maladaptive 1, maladaptive 2, maladaptive 3,
 maladaptive 4
 On the anxiety scale we get a problematic score

Vortex, cortex we don't understand
 Vortex, cortex, Greet we need a hand
 A vortex 1, a vortex 2, a vortex 3, a vortex 4
 Is it for the toilet, can you use it even more?

Genome, genome, brain plasticity
 Genome, genome, no causality
 Amygdado, amygdare, amygdami, amygdala
 RNA and DNA and clone your Chihuahua

One bear, two cats take the fear away
 One bear, two cats help the child to play
 Animal 1, animal 2, animal 3, animal 4
 Dressed as Pipi Long-stocking you dare even more

Focus focus focus everyday
Focus focus you and I today
Do it with 1, do it with 2, do it with 3, do it with 4
Once you got the taste of it, you do it even more

Queing, queing, queing for a meal
queing, queing, that was a bad deal
I count to 1, I count to 2, I count to 3, I count to 4
I really miss the queing, it didn't happen anymore

Sharing, sharing, throw it in the group
Sharing, sharing, join the encounter group
Encounter 1, encounter 2, encounter 3, encounter 4
If you're number 31, you're welcome the next door!

Antwerp, Antwerp, conference PCE
Antwerp, Antwerp, it was the place to be
A Duvel 1, a Duvel 2, a Duvel 3, a Duvel 4
If you don't stop drinking,
You will end at heaven's door
